Plön, Germany | 2020

CONFERENCE

Dear Friends,

the **Missionskutter ELIDA e.V.** invites you to join the next Kings Fleet Conference from the **4th April due to 7th April 2020** in Germany.

We are already really excited to meet you all. We love the community in Christ across all languages and borders and the experience in common prayer. During the conference every ministry has the opportunity to give a review of their last year with all missions and experiences. We will pray for each other and get new strength through our communion for our ministry. We will bless each other and expect from god that his blessing will lead us.

We invite you just like eight years ago to "Schloss Ascheberg" in Plön / north Germany. In the castle there is place for 100 people to sleep. There are simple multi-bed rooms with only a bit more space like on a ship – you will feel like on board!

This year's theme is "we are his work". Inspired by the old English word from the King James Bible "workmanship". Like a ship needs a lot of handicraft work we are simultaneously working in spiritual sense at His, that is Gods, ministry. Therefore we will study the bible, strengthen our faith though prayer, encourage each other for our ministry work and motivate through face-to-face talks.

We are looking forward to
eventful and blessed days with you!

Very warm welcome!
