What is Kings Fleet?

- ▶ King's Fleet is a global gathering of Evangelical Christian individuals and mission organisations who are passionate about using boats and ships, of all shapes and sizes, as ministry tools to share the Good News of Jesus Christ.
- ▶ Our vision is to list, connect and encourage EVERY Christian Boat Ministry in the world.

Kings Fleet History

Kings Fleet started in Sweden in 1979, it was a group of skippers from maritime ministries in Sweden and throughout Northern Europe who met together annually.
